

Enviro Degreaser

Is a versatile yet 'green' stand alone cleaner & sanitizer ideal for both commercial & industrial use

Benefits

VERSATILE, yet 'green', multi-purpose cleaning product

AN ECONOMICAL CLEANER & broad spectrum sanitiser that effectively kills mould & mildew

CONTAINS vegetable oil surfactants & phosphate free water conditioners & dispersants

BOOSTED with a special ingredient which provides sanitising power up to dilutions of 1:30 and fulfils most cleaning operations at the appropriate concentration

CLEANS concrete, cleans & sanitises washrooms & toilets, cleans & sanitises all kitchen surfaces, cleans carpets & upholstery, spot cleans laundry, cleans glass, walls & floors

ELIMINATES multiple products, avoids confusion & saves the cost of carrying large range of cleaners.
