

# Enviro Grit Hand Cleaner

Contains mild abrasives for removing heavy soils while also conditioning & moisturising

## Benefits

**ENVIRONMENTALLY FRIENDLY**, biodegradable hand cleaner

Contains mild abrasives for heavier hand cleaning

Completely petroleum hydrocarbon free

Contains natural ingredients such as d-limonene (orange oil)

Skin conditioners & moisturisers with anti-bacterial & anti-fungal properties assist in the prevention of dermatitis caused by the removal of natural oils

Hands are left feeling smooth & supple & with a pleasant citrus fragrance Ideal for mining & industrial use, including garages & any area where

## Directions

Place a small amount of **Enviro Grit Hand Cleaner** into palm of the hand, do not wet hands with water first as this will reduce the cleaning effectiveness.

Massage well into hands then rinse with water or wipe hands clean.
