

# Enviro Mint Grit Hand Cleaner

Contains mild abrasives for removing heavy soils while also conditioning & moisturising with a fresh mint fragrance

## Benefits

**ENVIRONMENTALLY FRIENDLY**- biodegradable hand cleaner

Contains mild abrasives for heavier hand cleaning

Completely petroleum hydrocarbon free

Contains natural ingredients such as d-limonene (orange oil)

Skin conditioners & moisturisers with anti-bacterial & anti-fungal properties assist in the prevention of dermatitis caused by the removal of natural oils

Hands are left feeling smooth & supple & with a pleasant mint fragrance

Ideal for mining & industrial use, including garages & any area where frequent hand cleaning is required to remove heavy soils off hands

Heavy duty wall mounted stainless steel dispensers available for ease of dispensing
